MEMORANDUM

TO: Municipal Officials, Engineers, Surveyors, Attorneys, and Applicants

CC: Planning Staff (w/o attachment)

FROM: Susan A. Smith, Director of Planning and GIS

DATE: November 13, 2014

SUBJECT: **New Fee Schedule for Schuylkill County Planning, Zoning and GIS Data**

At their September 10, 2014 meeting, the Schuylkill County Board of Commissioners approved a restructured Planning Office Fee Schedule. **The Fee Schedule will be effective for all plan and zoning hearing board applications for the January 2015 meetings. All other fees included on the schedule are effective January 1, 2015.**

I'd like to draw your attention to the following more significant changes:

- Zoning Hearing Board fee has increased to \$600.
- Municipal Reviews of Subdivision and Land Development Plans (for those municipalities with their own SALDO) has increased to \$75.
- Most fee for Subdivision and Land Development for those plans where the county governs the SALDO have decreased; however, the county is implementing an escrow for all Major Subdivisions and Land Developments.
- Fees for Land Development are now prorated by "Area of Land Disturbance"
- GIS Data fees have increased to \$120 for the standard data request and \$120 with a 2-hour minimum for a custom data request. There remains no cost for GIS Data requested by municipalities or other governing bodies.

If you have any questions regarding this memo or the new fee schedule, please do not hesitate to contact me.
